

Deep Freeze (Am, 66)

Dean Radcliffe

Copyright 2011

(Intro is chorus chords)

Am G Abm Am
I'm wound up tighter than a cat who's about to spring
Am G Abm Am
In work or play I think of you doin' everything (to me)
Am G Abm Am
Tried confessin' my thoughts, tried payin penance too
Am G Abm Am
It's no damn good, I can't rid myself of you !

(riff 1x)

Am G Abm Am
I'd never cut off my nose, just to spite my face
Am G Abm Am
I wouldn't throw in the towel if I come in second place
Am G Am
But I'm a mess all up inside, with you hauntin' me in my dreams
Am G Am
In extraordinary times, I take measures to their extremes

Chorus:

Am G
'Till I can sleep through the night
Am G
Here's what I'm forced to do
Am G (stop)
I've got to cryogenically freeze me
(Am) (Am)
Till I'm rid of you !

(Solo over verse 2 chords)

(Like V2)

I pinch myself every minute, but distraction just wont do
Surely things will change with a Rip Van Winkle or two
I'll finally get some sleep, I'll be so happy when -
But if I meet your daughter it'll start all over again

I've got to put myself on ice
For a decade, or maybe two
I've gotta cryogenically freeze me (no stop)
Till I'm rid of you !

'Till I can sleep through the night
Here's what I'll be forced to do
I've gotta cryogenically freeze me (pause)
Till I'm rid of you !
